Inclusion and diversity

Neerim South Primary School strives to provide a safe, inclusive and supportive school environment which values the human rights of all students and staff.

At Neerim South Primary School we are committed to providing a safe, inclusive and engaging learning environment that enables all students to achieve their full potential. Our mission is to offer an education that strives for academic excellence and provides an inclusive, balanced learning program that is rich in experiences. At our school we provide opportunities for each student to become a confident and responsible global citizen, meeting challenges and embracing opportunities within our changing world. Our school's objective is to ensure all students gain skills, knowledge and understanding from the Victorian Curriculum enabling them to continue successfully through their educational journey. The Neerim South Primary School 'Statement of Values and School Philosophy' ensures that everyone in our school community is treated with fairness and respect. In turn, we diligently strive to create a school that is inclusive and safe, where everyone is empowered to participate and learn. The following school wide values are used to support Neerim South Primary School students in becoming positive citizens within our school and community and are integrated into every facet of our school.

Respect – treating everyone and everything with consideration and courtesy. It means caring about myself, others and the environment.

Learning – gaining knowledge, skills and understanding through endeavour and experience. It means knowing and understanding more.

Teamwork – working together towards a common goal and being able to work and act positively with others. It means working together to get the job done.

Perseverance – believing in yourself and doing your best until you achieve your goals. It means having a go and “sticking to it” until it’s finished.

Neerim South Primary School is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Neerim South Primary School acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Neerim South Primary School we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Neerim South Primary School will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (eg schools sports, concerts) on the same basis as their peers

- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Neerim South Primary School. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Reasonable adjustments for students with disabilities

Neerim South Primary School also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group processes and in other less formal ways.
